

## SE Section Pop-Up Event at Denbies Wine Estate

A cold sunny day saw a few stalwart SE Section AOC members get their Alvis' out for a good run, blow away the cobwebs and meet up for a socially acceptable outside get together at Denbies Wine Estate, near Dorking in Surrey.

Everyone's car seemed to go well and benefit from a good run out. A much better turnout than expected meant we could meet face to face (not too close mind!) have coffees and other goodies to keep the cold at bay.
